

**Next year's Fees:** ADL fees \$20 per annum WA Fees— currently \$10 Vote required to ascertain charge for 2024. All agreed to keep fees at \$10 per annum.

Discussion held on the increased cost of medals for state team events. At present we give nomination fees back to the host club – would now like to keep nomination fees at state level to help cover the cost of medals. Owen Jenyns suggested that we should increase cost of state events to \$10 which would then allow \$5 per player to go to the host club and \$5 to be kept by state to help with cost of medals.

All agreed to increase nomination fees to \$10 per player per state event.

**Honorariums:** Currently \$250 to Vice and President and Secretary and Treasurer \$500 – Vote required as to whether to continue with the current amounts. All agreed.

### **General Business**

Jan advised that were issues with lack of care taken on sizing when ordering state shirts. Printed size charts were given to each club and Jan requested that all clubs ensure players measure themselves before placing an order. Shirts can take up to 8 weeks to be received from date of order so any shirts required for the Tasmanian event should be placed as early as possible.

6 prizes not claimed at Nationals = what do we do. It was agreed that these raffle prizes should be used at the next state event.

Trish requested that there needs to be better communication from the clubs and to assist she is working on a Welcome to Legends letter to be handed to first time members. This will set out information regarding shirts, state and national events and a general idea of how and what Legends stands for.

Alley advised Tasmania require an indication of how many people likely to attend Nationals. Could all clubs advise Jan by end of December.

### **Questions from the floor**

Val Jones asked how averages were calculated at National events. Heather explained that Aust Dart Legends championship rules require the National singles average taken has to be used. Where there is no current national average then a mean average is used. This is calculated on state, club singles championships event and starting registered average – these averages are then added together and divided by 3 to obtain a mean average. Where no starting average is available then men are given a starting average of 15 and ladies a starting average of 11.66 per dart. It is quite acceptable to view a current DWA average as the starting average. The 2023 average is then used for all events in 2024. Ann Carter requested averages be sent to clubs at the earliest opportunity. Warren Campbell suggested that on Division sheets the nominated range should be shown to help cut down the queries. Rob Jones asked that Legends provide average cards to each player. Jan agreed to produce them as soon as possible.

Kevin Chappell spoke about the Covid outbreak at Legends as he felt age group were vulnerable. As there is no requirement to isolate or insist in masks we have to rely on everyone taking personal responsibility.

Jules Campbell requested that game sheets should have a box to mark down who has chalked to avoid arguments. Heather will include in next year's sheets.

Craig Johnson spoke about the possibility of using Dart Connect system as a possibility when running Legends events. The committee will investigate it, however very concerned at the cost of setting up and in Tasmania's case whether Wifi would be available when national events require at least 60 boards minimum.

Warren Campbell asked if Heather had an assistant due to the increased numbers. Lou assisted Heather at the Nationals and all agreed to a very good job. Lou will continue next year to assist Heather in readiness for the next national event.

Alley thanked all the people that helped in setting up and closing down Bunbury and for those that helped prepare for the closing ceremony,

No further business – meeting closed 1.19pm

## PRESIDENTS REPORT

My first year as President has had its ups and downs but more ups than downs. All state events were very well attended, and I congratulate you all on supporting our events. To all the winners and runners up I send my congratulations.

We also had the task of hosting of the Nationals event in Bunbury which took a lot of organising and everyone from all clubs worked very hard to ensure its success.

I would like to thank my committee, Trish, Jan, and Heather, for all their hard work. I thank you all for supporting me in my first year and look forward to continuing in 2024.

I wish you all a very Merry Xmas and Happy New Year.

Yours in darts

Alley Hawkins  
President
