## NOTICE OF MOTION

I, Peter John McArdle of Mandurah Legends Darts Association Incorporated  
(name of member)

being a full member for the past twelve months would like to put forward the following Notice of Motion

### Clarification of Membership Status

As per the current constitution there are three types of membership available - Ordinary, Life and Social. The intention of a "Social" membership was to allow active playing members, that had no intention of competing in State or National events, to forgo paying associated affiliation fees.

However, with the naming terminology and without any clear clarification this could be interpreted to mean Social memberships were available to non-active members. This could lead to an interpretation that a non-active social member was entitled to the same membership benefits (e.g. wind-up) as any other member, which would be detrimental to the club's finances.

It is proposed to:

- 1) rename "Social Membership" to "Club Membership"
- 2) Clarify that Club Membership applies where a person either:
  - a) does not wish to participate in State or National events; or
  - b) has already paid State and National affiliation fees via another club.
- 3) Add a clause stating that Ordinary and Club memberships and additional entitlements, not already included in constitution, are only available to active members. Where the definition of active and the additional entitlements are defined within the club By-Laws.
